The centrepiece of our safety jogger range—built to keep you light, agile, swift and strong with super cushioning for comfort and composite toe cap for protection.

- EVA Phylon midsole creates comfort in a truly lightweight safety shoe providing underfoot impact protection
- Nylon shank—ensures correct step flex point, assists with torsional stability
- Rubber outsole has a high coefficient of friction for increased grip, slip resistance and durability
- Padded tongue and collar
- TPU toe guard and heel torsional stabiliser
- Lightweight nylon breathable upper
- Tongue pocket to hide laces and reduce trip hazard potential
- Elasticated laces for quick fastening with standard laces also included
- Broad fitting 200 joule impact resistant Type 1 composite toe cap

PU - Polyurethane | TPU - Thermoplastic Polyurethane
EVA - Ethel Vinyl Acetate | PUR - Polyurethane Rubber

Refer to our website for further details of the 30 day comfort guarantee and the manufacturer's 6 month warranty.
