

# Specification Sheet

**Description:** Sorbent Sock - Oil Only

**Product Code:** 08-1000 / 08-1001

## Sorbent Sock - Oil Only

### Product Features

Surround oil spills that are leaking from machinery easily, without the worry of wasting the absorbent on rain or other surface water. This sock absorbs all hydrocarbons while repelling water and water based liquids.

Available in two lengths; 1.2m and 3m.

Product Code	Absorbs (per sock)	Suitable For	Dimensions (w,l)	Colour	Material
08-1000	4L	Oils, fuel and solvents - not water	75mm x 1.2m	White	100% polypropylene
08-1001	10L		75mm x 3m
